

RISE OF INDIAN HEAD

A Resident of Indian Head Writes as Follows to the Baltimore Sun:

"Virginia has its Hopewell, New Jersey has its Carney's Point, but Southern Maryland has its Indian Head, and it is very rapidly coming to the front. The place has more than doubled in the last few years, three contracts have been let for additions to the works, with two more to follow within the month.

"The greatest trouble here, as at the other powder plants, is the accommodation of the many men employed about the place. One boarding house, with accommodations for 20, is now crowded with about 60; all the other boarding houses and hotels are filled the same way, and two of the places are now building bunk houses, it being the best that can be done at the time. One boarding-house keeper recently was obliged to canvass the town on Sunday night for mattresses having only floor space for many that had arrived by a late boat. New boarding houses are being built, but then the accommodations will not be enough for one-half the men here at this time."

ANTIDOTE FOR BICHLORIDE

Hospital Physicians Discover Way to Baffle Deadly Poison

Cincinnati, Nov. 29.—Physicians at the Cincinnati General Hospital have discovered an antidote for bichloride of mercury, one of the most corrosive poisons known. When it is taken into consideration that Banker Hitchcock, of Chicago, had the best medical assistance that money could procure when he made his futile battle for life a few months ago, after taking one tablet by mistake, the importance of the discovery can be appreciated, the physicians declare.

A few days ago Birdie Talbot took four of the deadly tablets and was taken to the hospital writhing in agony. In their extremity the physicians gave her copious doses of Fisher's solution, a combination of drugs discovered by Prof. Martin Fisher, of the medical department of the Cincinnati University. Yesterday the woman left the hospital entirely cured.

WHALE ATTACKS STEAMER.

Bends Plate in Bulwarks And Nearly Swamps Vessel.

Seattle, Wash., Nov. 29.—Showing the effects of a desperate battle with a huge sperm whale while 10 miles south of Mt. Edgumbe, Krusof Island, near the entrance of Sitka Sound, on June 15, the whaling steamer Star III, Capt. L. P. Halls, Gunner G. Earling, reached Eagle Harbor after a successful season.

While taking one of the big mammals, which members of the crew described as "just like an ocean liner," the big fellow charged the steamer, damaging the gunwale, second towing check on the starboard side and bending and crumpling a plate in the bulwarks for a distance of 10 feet. The weight of the whale nearly swamped the little steamer.

GERMANY NOT MAKING GIFTS

Report Of Returning Schleswig-Holstein Elicits Reply.

London, Nov. 29.—A Copenhagen dispatch to the Exchange Telegraph Company says:

"The German Government, in a proclamation issued at Schleswig (capital of the Province of Schleswig-Holstein), referring to the reversion of this territory to Denmark after the war, either as a gift from Germany's enemies or as a reward from Germany, for Denmark's neutrality, states that military operations do not encourage the speculation that Germany can give anything away, and it would be unfair to Denmark to suppose the maintenance of her strict neutrality should be dictated by hope of payment."

One-Tenth of People Danes. Schleswig-Holstein is a province of Prussia, formed out of the Duchies of Schleswig, Holstein and Lauenburg, formerly belonging to Denmark, by which country it is bounded on the north. The area is 7,58 square miles and about one-tenth of the inhabitants are Danes.

Schleswig, long an object of contention between the Germans and the Danes, passed into the possession of the Kings of Denmark in the eleventh century. In 1864, Prussia and Austria wrested the Duchies from Denmark.

The victory over Austria in 1866, enabled Prussia to incorporate these regions into her dominions.

A woman lost her life when the steamer Tivoli, burned in Chesapeake Bay Thursday night. William Dove of Covington, Ky., one of the passengers, was accompanying his sister Mrs. Bowdoin, to her home at Crisfield. She died in his arms from the shock of jumping into the water.

CANNOT ACCEPT BEQUEST

Virginia Statute Prevents Cemetery From Receiving \$10,000 Left by Charles W. Houck.

The Mount Hebron Cemetery Association of Winchester, to which was bequeathed \$10,000 in trust by the will of the late Charles W. Houck, a wealthy retired Winchester contractor, and builder, cannot accept more than \$1,000 of the bequest, and the remaining \$9,000 will be distributed among his heirs-at-law, according to a decision handed down last week by Judge T. W. Harrison, in the Corporation Court. It is not expected the case will be appealed. The late Mr. Houck left \$10,000 to the cemetery association, to be invested perpetually and the income applied to the care of the grounds, for a radius of 400 feet around the Houck lot in the cemetery. Judge Harrison cited the Virginia statute, which makes it unlawful for anyone to will an amount in excess of \$1,000, for such purposes, and held that the law was applicable and binding. The heirs also attacked a clause of the will which made the Braddock Street Methodist Episcopal Church South residuary legatee of the estate, after all other bequests had been made. The court held that under the law the church could not accept real estate valued at more than \$30,000, but that such property could be sold and the proceeds accepted by the church as personal property.

TWO IN AUTO KILLED.

Car Turns Over Near Cumberland; Driver's Skull Crushed; Sister-In-Law's Neck Broken.

Cumberland, Md., Nov. 29.—Milton Dicken, aged 55 years, a grocer of this city, and his sister-in-law, Mrs. Alice J. Kifer, aged 48, wife of Frank R. Kifer, merchant at Lavale, were killed yesterday afternoon when the automobile driven by Mr. Dicken turned over on its side while rounding a sharp curve in ascending Red Hill, on the National pike, about seven miles west of Cumberland.

Mrs. Dicken and Mr. Kifer were injured, but not seriously. Dicken evidently lost control of the car and it ran up the side of the embankment and fell back into the middle of the road. Dicken was caught under the top, his skull being crushed and face disfigured. Mrs. Kifer was thrown on the back of her head on the hard road surface and her neck broken.

PIMPLY? WELL, DON'T BE!

People Notice It. Drive Them Off With Dr. Edwards' Olive Tablets

A pimply face will not embarrass you much longer if you get a package of Dr. Edwards' Olive Tablets. The skin should begin to clear after you have taken the tablets a few nights.

Cleanse the blood, the bowels and the liver with Olive Tablets.

Dr. Edwards' Olive Tablets are the successful substitute for colic—there's never any sickness or pain after taking them.

Dr. Edwards' Olive Tablets do that which colic does, and just as effectively, but their action is gentle and safe instead of severe and irritating.

No one who takes Olive Tablets is ever cured with "a dark brown taste," a bad breath, a dull, listless, "no good" feeling, constipation, torpid liver, bad disposition or pimply face.

Dr. Edwards' Olive Tablets are a purely vegetable compound mixed with olive oil; you will know them by their olive color.

Dr. Edwards spent years among patients afflicted with liver and bowel complaints, and Olive Tablets are the immensely effective result.

Take one or two nightly for a week. See how much better you feel and look. 10c and 25c per box. All druggists.
